The Vision of National Education Policy, to provide high quality education to develop human resources in our nation as global citizens, is well taken by the college. In order to provide the holistic academic growth among students to choose their preferred options from the range of program offered by the institution. It can be said that the college is proactively working towards implementation of the suggestions given in the NEP.

16. Academic bank of credits (ABC):

Provisions of Academic bank of Credit proposed in the draft of NEP to facilitate multiple entries and exit points in their academic programs. This is an innovative idea to earn and deposit credit through National schemes like SWAYAM, NPTEL. It shall be also considered for credit transfer and accumulation in this provision. By these students will able to earn credits and get the program completed. The Sri Krishna Degree College shall abide by the curriculum and structure prepared by the affiliating university in this regard.

17. Skill development:

Sri Krishna Degree College is an affiliated college and doesn't enjoy preparing and implementing its own curriculum. It has to follow the designed curriculum provided by the Bengaluru City University. So far skill development is concerned, Sri Krishna Degree College offer skill development courses such as Add-on Courses and Value added courses like Tally, Dot Net Java, Digital marketing, Advanced excel, Python, Data Analytics , SAP etc.. In addition to this, the college will implement guidelines or structures provided by the affiliating university

18. Appropriate integration of Indian Knowledge system (teaching in Indian Language, culture, using online course)

The preservation and promotion of India's cultural wealth must be considered a high priority for the country, as it is truly important for the nation's identity as well as for its Economy. In this regard appropriate integration of the Indian Knowledge system particularly teaching in Indian languages is important. Language, of course, is

inextricably linked to Arts and culture. Languages influence the way people of a given culture speak with others, including with family members, authority and strangers, and also influence the tone of the conversation. In order to promote /integrate the local language, art and culture activities. The Krishna Degree College offers provides Kannada, Sanskrit, Hindi, Telugu, and Tamil as a language choice for the students. Most of our faculty members have fluency of speech in other Indian languages like Telugu, Tamil, Marathi, etc. The Sri Krishna Degree College has the opportunity to utilize this human resource in the Indian knowledge system.

19.Focus on Outcome based education (OBE):Focus on Outcome based education (OBE):

The objectives set out in the NEP on OBE are Competency, standard, benchmarks, and attainment of targets. In addition to this, the OBE incorporates three elements Theory of education, A systematic structure of education, and a specific approach to instructional practice. The Sri Krishna Degree College is prepared to fulfill the objectives and achieve the target as per the structural curriculum provided by the affiliating university.

20.Distance education/online education:

Online classes were conducted very effectively by all faculties in all programs. Our college has got G Suite permission from Google through Google meet we conduct Online classes and Webinars, Both teachers and learners have experienced the online teaching and evaluation process through different software. So, the institution is well prepared in this regard. Management is planning to apply as a Research study center for other University as our institution can enable the students to get full support of study resources including classrooms, library, and IT support and counselling.

2.3 - Teaching- Learning Process

2.3.1 - Student centric methods, such as experiential learning, participative learning and problem solving methodologies are used for enhancing learning experiences

Experiential learning

Teaching - learning in the classroom is participatory and interactive. Commerce students are exposed to practical skill development classes as part of regular curriculum learning. Learning is made student-centric by encouraging seminar presentations, taking up field visits, developing project work in real-life situations, etc. University curriculum enforces student-centric approach through the mandatory project work for students of

BCA, BBA students. Students are encouraged to write literary Articles, Essays, reports for the College Magazine in different languages.

Participative learning:

Research based group projects of academic as well as practical importance are assigned to the students which helps them in reflective thinking, problem solving and to logically analyse associated curriculum. Academic Curriculum as prescribed by University encourages the Student centric learning approach by including ICT and media usage during lectures and classes, Field trips, add on courses, projects, seminars, group discussions, competitions, debates, enactments etc.

Problem solving methodologies

Assignments on a regular basis challenges and check the level of understanding of the subject. Moreover, class tests, tutorials, unit tests and quizzes held from time to time keep up the competitive spirit among the students. The tasks like mind mapping, brain storming session, issues reflecting on product launch etc. helps them to widen their thinking capabilities under extreme time constrain.

2.5 - Evaluation Process and Reforms

2.5.1 - Mechanism of internal assessment is transparent and robust in terms of frequency and mode. Write description within 200 words.

Internal assessment of student is based on three criteria which are communicated to the students on college website and during the orientation of students at the start of the first-year course.

Internal assessment is based on tests, assignment/project work/seminar and attendance. Student attendance is reviewed every month and the class teachers counsel the students with attendance shortage and motivate them to attend further classes. Attendance shortage is displayed on the notice board at the end of every month.

The internal assessment marks are displayed on the website for three components independently and thus, the consolidated score. Grievances in internal assessment score can be addressed to the concerned HODs.

As per Bangalore City University Assessment parameters, Students evaluation is divided in to two assessment levels; Internal Assessment for 30 marks (institute level) and Semester End Exam for 70 Marks conducted by university. Internal Assessment is conducted subject / Department wise. For the continuous internal evaluation students' performance in unit tests, projects, assignments etc. are considered as parameter along with co-curricular achievements.

University conducts semester examination evaluation is by central evaluation system. Project submission, Viva-voce, Internal marks

are considered for the aggregate of marks. The degree is awarded on such evaluation.

2.5.2 - Mechanism to deal with internal examination related grievances is transparent, time- bound and efficient

1.Dates for announcement of IA marks and grievances thereon along with the last date are also informed at the start of the semester in the calendar of events displayed in the website.

2.Message is sent to all students to check the website for IA marks and the grievances to be addressed.

3.Grievances in internal assessment score can be addressed to the concerned HODs.

- After the grievance is heard, the internal marks are either corrected or the logic behind the evaluation is made clear. In case the student is not satisfied, the grievance can be taken to the principal in person. The Principal intervenes in the matter and the matter is amicably settled.
- Finalized IA scores are then uploaded to the Bengaluru City University website. Messages are transmitted to students from the university about their IA marks in each subject.
- At the academic level, the teachers try to improve the results and enhance the intellectual capacity of the students by satisfying their queries.All the grievances, issues, difficulties related to internal marks are resolved at the department level by the HOD/ program coordinator and the outcomes are updated on the notice board.

2.6.2 - Attainment of Programme outcomes and course outcomes are evaluated by the institution.

The semester end university examinations and the consequent

performance of students is a direct measure of the attainment of course and programme outcomes.

The large number of students progressing to higher studies and research is yet another parameter of measuring the attainment of programme outcome.

The placement of students in reputed companies after their programme is an index of programme outcomes.

The organizational abilities of students in various inter-collegiate fests and their skills to execute the mandatory project work is another yardstick for identifying the level of attainment of course and programme outcomes.

The PO attainment is also measured in terms of the research paper presentations by students in conferences and publications of articles in college magazine,

The feedback obtained from the students on the announcement of results helps in identifying the gaps in PO & CO attainments. These gaps are tried to be plugged/narrowed down in the following year.

The process of attainment of COs, POs and PSOs started from writing appropriate COs for each course of the program from 1 to 3 year in a degree program. The course outcomes written and their mapping with POs are reviewed by a committee of senior faculty members. Any lacuna found will be rectified the next academic year.

6.3.5 - Institutions Performance Appraisal System for teaching and non- teaching staff

- The institution adopts a fair recruitment process.

- Detailed staff requirement analysis, effective advertisement, fair and transparent assessment of candidates form part of this effective process.
- A duly constituted Management Committee is in-charge of the process. Interviews are conducted for selecting suitable candidates for appointment to teaching, non-teaching and other posts in the college.
- The institution has an effective Performance Appraisal System for teaching and non-teaching staff. The student feedback and Audit by IQAC form the effective tool in Teacher Evaluation System.
- At the end of each semester, feedback forms are issued to the students for each of the courses attended by them. The feedback forms in the form of questionnaire collect information about the teacher and different aspects pertaining to the teaching process.
- A team consisting of the Management Representative, Director, Principal, Director-IQAC, Head of the Department go through the feedback forms collected from the students and suggest suitable measures to improve the teaching-learning process.
- Teachers performance is also reviewed based on student results, punctuality, commitment, teaching skills, number of papers presented, number of conferences and workshops attended, research projects undertaken and involvement in other college activities. The performance of non-teaching staff is assessed based on the recommendation of the concerned HODs/section heads.
- The compliance of academic and administrative procedures and their continual improvement is also ensured through systematic audit by IQAC.
- The IQAC regularly conducts academic audit of the

Departments. IQAC monitors the academic activities on regular basis to ensure the execution of timetable.

6.4 - Financial Management and Resource Mobilization

6.4.1 - Institution conducts internal and external financial audits regularly Enumerate the various internal and external financial audits carried out during the year with the mechanism for settling audit objections within a maximum of 200 words

Internal and External Audit Processes

The institution maintains a robust internal and external audit system to ensure financial accountability and transparency.

Internal Audit: The internal audit is a continuous process, conducted alongside external audits. A senior staff team thoroughly examines vouchers, supporting documents, records, books, and e-statements for each financial year. This includes verifying budget estimates, cash transactions, bank reconciliations, and financial event management. Key activities include:

- Reviewing the trust deed, regulations, and past financial statements.
- Evaluating internal controls and verifying student fee registers.
- Authorizing fee concessions, policies, and controls.
- Examining bank passbooks, grants, sponsorships, deposits, and payments.
- Cross-checking procedures and educating departments on transaction controls.
- Conducting interdepartmental stock checks and creating reports.

External Audit: The external audit is conducted annually by UDAY KUMAR B & CO. Statutory auditors ensure the institution's accounts comply with regulations. No major issues have been identified, and minor errors are promptly corrected with preventive measures. Key objectives include:

- Examining policies, regulations, and financial procedures.
- Verifying receipts, salary payments, taxes, and property titles.
- Reviewing fee payments, income tax filings, and regulatory compliance.
- Certifying audit reports and conducting audits per financial statement rules.

INSTITUTIONAL VALUES AND BEST PRACTICES

7.1 - Institutional Values and Social Responsibilities

7.1.1 - Measures initiated by the Institution for the promotion of gender equity during the year

The campus ensures gender equality by consistently applying various methods to respect, support, and meet the needs of both male and female students equally, regardless of their gender identity. The campus actively works to uplift women, including both staff and students, through a range of initiatives. Special clubs and groups have been created to involve female students in extracurricular activities. The campus organizes events and

seminars on topics like women's empowerment, personal hygiene, and inspirational talks to tackle challenges faced by female staff and students. The Sexual Harassment Elimination Committee (SHE committee) and the Anti-Ragging Committee of the campus play a crucial role in keeping the campus free from ragging. In partnership with the local police, the "Suraksha App" from the police department has been made available to all female students' mobile phones. The Grievance Redressal Cell is always ready to listen to students' complaints and address them, with the college student counselor ensuring that concerns related to academic stress, gender issues, low self-confidence, and other matters are properly handled. Mentorship program is in place. Facilities like tissue dispensers and sanitary napkin vending machines, along with liquid soap dispensers, are provided to support the health and hygiene of female students.

7.3 - Institutional Distinctiveness

7.3.1 - Portray the performance of the Institution in one area distinctive to its priority and thrust within 200 words

The distinctiveness of Sri Krishna Degree college is in the remarkable social initiatives it involves itself. During the auspicious occasion of Azadi ka Amrut Mahotsav, the college was given the opportunity to adopt the Bannerghatta village in the Anekal Taluk. Through regular activities, College's NSS students and faculty have been actively engaged in cleaning the school campus, hospital, and police station in the village. In September 2024, a special camp was organized from September 9 to 14, where the NSS team undertook various community development projects. These included cleaning the temple, schools, and market surroundings, creating awareness about dengue and H1N1 virus in association with the local health department, and organizing a workshop on the dangers of drug abuse for local youths in collaboration with the police department. Additionally, the college NSS team conducted a workshop on mobile usage and helped create a drainage & water facility in the school campus. The village school also received a fresh coat of paint. These initiatives have not only improved the village's infrastructure but also promoted health awareness, education, and community engagement.

1.3 - Curriculum Enrichment

1.3.1 - Institution integrates crosscutting issues relevant to Professional Ethics, Gender, Human Values, Environment and Sustainability into the Curriculum

The institution believes in the holistic development of the student for which the student is given all education in all spheres of the society which helps him/her to be a perfect human being and a well-behaved citizen of the country. Some of the crosscutting issues stem out from the non-core subjects which are prescribed by the university.

Following is the list of all programmes related to the issues practiced in the institution: -

1. **Indian Constitution:** The objectives of the Constitution are taught to maintain the integrity and unity of the nation as well as the citizens.

2. **Environmental public health:** Environmental health is the branch which promotes human health and well-being and fosters healthy and safe communities.

3. **Science and society:** To promote science and technology amongst people of all age groups.

4. **Business Ethics:** The main aim of business ethics is to provide people with the means for dealing with the moral complications.

5. **Personality development:** Personality development not only makes you look good and presentable but also helps you face the world with a smile.

6. **Cultural diversity:** To promote the understanding of unique cultural and ethnic heritage.

There are various committees which take care of the students such as:

1. She Cell
2. Community Orientation
3. Employability and Life Skills

2.2 - Catering to Student Diversity

2.2.1 - The institution assesses the learning levels of the students and organizes special Programmes for advanced learners and slow learners

The primary objective of any educational institute striving to achieve excellence is to identify respective learning levels of the students. Students from diverse socio-cultural, economic and educational background are admitted to the college. Therefore, taking into account the varied group of the students, it becomes necessary to identify slow learners and advanced learners at the entry level i.e., at the commencement of every academic year, the college conducts counseling sessions/induction programs for newly admitted students. In these sessions, college principal and the senior faculty members make students aware of the goals and objectives, code of conduct, classroom attendance examination and evaluation system and the amenities available in the college.

For slow learners :

1.Mentoring system - counselling the students which helps them to develop their personality and also academic growth.

2.Departmental library- providing basic needed books

3.Remedial classes- extra classes & Sunday classes are conducted

For advance learner:

1.Extended Library support - reference books, extra supplements are provided

2.E-books, e-materials are suggested

3.Commerce students are advised to keep track of stock market development of economic and finance sectors of India, business

magazines newspaper, business journals like international journals of taxation public finance journal of banking and portfolio management are suggested.

2.3 - Teaching- Learning Process

2.3.1 - Student centric methods, such as experiential learning, participative learning and problem solving methodologies are used for enhancing learning experiences

Experiential learning

Teaching - learning in the classroom is participatory and interactive. Commerce students are exposed to practical skill development classes as part of regular curriculum learning. Learning is made student-centric by encouraging seminar presentations, taking up field visits, developing project work in real-life situations, etc. University curriculum enforces student-centric approach through the mandatory project work for students of BCA, BBA students. Students are encouraged to write literary Articles, Essays, reports for the College Magazine in different languages.

Participative learning:

Research based group projects of academic as well as practical importance are assigned to the students which helps them in reflective thinking, problem solving and to logically analyse associated curriculum. Academic Curriculum as prescribed by University encourages the Student centric learning approach by

including ICT and media usage during lectures and classes, Field trips, add on courses, projects, seminars, group discussions, competitions, debates, enactments etc.

Problem solving methodologies

Assignments on a regular basis challenges and check the level of understanding of the subject. Moreover, class tests, tutorials, unit tests and quizzes held from time to time keep up the competitive spirit among the students The tasks like mind mapping, brain storming session, issues reflecting on product launch etc. helps them to widen their thinking capabilities under extreme time constrain.

2.3.2 - Teachers use ICT enabled tools for effective teaching-learning process. Write description in maximum of 200 words

In our college, the classrooms and labs are ICT enabled with projectors installed and the campus is enabled with high speed Wi-Fi connections.

The faculty at SKDC use various ICT enabled tools to enhance the quality of teaching- learning.

1.google classroom is used to manage and post course related information-learning materials Quizzes, lab submissions and evaluations, assignments, etc.

2.Virtual labs are used to conduct labs through simulations.

3.The PPTs are enabled with animations and simulations to improve the effectiveness of the Teaching-Learning process.

4.The online learning environments are designed to train students in open problem-solving activity.

Wi-Fi enabled campus

1.E- Library facilities provided (Lib soft)

2.Smart Boards are used by many faculties to teach their respective subjects.

3.Projectors are used in classroom to display certain forms, formats, pictures and others for students to make understand the concept.

4.Computer Aided Learning (Power Point Presentations) is provided for further learning.

ICT in Teaching learning methods/approaches:The college had organised a training program on basic accounting and advanced excel and Tally ERP. The college has latest versions of licensed software.

Audio visual aids/multimedia

2.5 - Evaluation Process and Reforms

2.5.1 - Mechanism of internal assessment is transparent and robust in terms of frequency and mode. Write description within 200 words.

Internal assessment of student is based on three criteria which are communicated to the students on college website and during the orientation of students at the start of the first-year course.

Internal assessment is based on tests, assignment/project work/seminar and attendance. Student attendance is reviewed every month and the class teachers counsel the students with attendance shortage and motivate them to attend further classes. Attendance shortage is displayed on the notice board at the end of every month.

The internal assessment marks are displayed on the website for three components independently and thus, the consolidated score. Grievances in internal assessment score can be addressed to the concerned HODs.

As per Bangalore City University Assessment parameters, Students evaluation is divided in to two assessment levels; Internal Assessment for 30 marks (institute level) and Semester End Exam for 70 Marks conducted by university. Internal Assessment is conducted subject / Department wise. For the continuous internal evaluation students' performance in unit tests, projects, assignments etc. are considered as parameter along with co-curricular achievements.

University conducts semester examination evaluation is by central evaluation system. Project submission, Viva-voce, Internal marks are considered for the aggregate of marks. The degree is awarded on such evaluation.

2.5.2 - Mechanism to deal with internal examination related grievances is transparent, time-bound and efficient

1.Dates for announcement of IA marks and grievances thereon along with the last date are also informed at the start of the semester in the calendar of events displayed in the website.

2.Message is sent to all students to check the website for IA marks and the grievances to be addressed.

3.Grievances in internal assessment score can be addressed to the concerned HODs.

- After the grievance is heard, the internal marks are either corrected or the logic behind the evaluation is made clear. In case the student is not satisfied, the grievance can be taken to the principal in person. The Principal intervenes in the matter and the matter is amicably settled.
- Finalized IA scores are then uploaded to the Bengaluru City University website. Messages are transmitted to students from the university about their IA marks in each subject.
- At the academic level, the teachers try to improve the results and enhance the intellectual capacity of the students by satisfying their queries.All the grievances, issues, difficulties related to internal marks are resolved at the department level by the HOD/ program coordinator and the outcomes are updated on the notice board.

2.6 - Student Performance and Learning Outcomes

2.6.1 - Programme and course outcomes for all Programmes offered by the institution are stated and displayed on website and communicated to teachers and students.

The college has developed POs and COs taking into consideration the mission and objectives of the programmes as well as that of the college.

During the orientation programme of the students the Programme Outcome, Course Outcome and Learning outcomes are made known by each of the departments and the college.

The POs and COs are finalized through the brainstorming sessions of teaching faculty of the individual departments concerning the respective courses.

Institution displays its vision, mission, objectives, programme outcomes, programme specific outcomes and course outcomes on the website. The same has been conveyed to first year PG and UG students during the College orientation programme at the beginning of every semester.

IQAC initiates the quality improvement program for each department. The subject experts from the BCU, Teachers discuss about the syllabus, its reach, contemporary market demands and how to enhance the teaching methods to cope up with it which provides the foundation to update programme specific goals.

The alumnae are invited at various events as chief guest or judges to interact with students and teachers. They share their experiences on how a specific course helped to shape their career and thus encourages aspirants to look positively towards the outcomes of programme.

2.6.2 - Attainment of Programme outcomes and course outcomes are evaluated by the institution.

The semester end university examinations and the consequent performance of students is a direct measure of the attainment of course and programme outcomes.

The large number of students progressing to higher studies and research is yet another parameter of measuring the attainment of programme outcome.

The placement of students in reputed companies after their programme is an index of programme outcomes.

The organizational abilities of students in various inter-collegiate fests and their skills to execute the mandatory project work is another yardstick for identifying the level of attainment of course and programme outcomes.

The PO attainment is also measured in terms of the research paper presentations by students in conferences and publications of articles in college magazine,

The feedback obtained from the students on the announcement of results helps in identifying the gaps in PO & CO attainments. These gaps are tried to be plugged/narrowed down in the following year.

The process of attainment of COs, POs and PSOs started from writing appropriate COs for each course of the program from 1 to 3 year in a degree program. The course outcomes written and their mapping with POs are reviewed by a committee of senior faculty members. Any lacuna found will be rectified the next academic year.

- Name of ILMS Software - Libsoft
- Nature of Automation - Fully Automated
- Version - 3.1 and 9.8 Updated
- Year of Automation - 2014 and 2017 Updated

Integrated Library Management System: The Library of Sri Krishna Degree College was established in 2007 in Bangalore. The Library is being upgraded with the latest information to cater to the needs of all specialities of UG and PG. The Library has all the facilities and required information in the form of books, journals, and the Internet for accessing E-Journals. The library is subscribed to two main integrated library management software programs: 1. New Gen Lib and 2. LibSoft. New Gen Lib was subscribed in 2015 with Ver. 3.5. Due to the issues in the New Gen Ver 3.5, LibSoft Ver 9.5 was updated and made available to the students, and faculty members of the college with the year starting 2017.

Database Management: Easy database maintenance through backup and restoring the old database to the current one. Clearing old transactions and closed purchase orders, importing and exporting data from and to MARC 21 format using MARC tags to facilitate the transfer of data between networked libraries.

6.3.5 - Institutions Performance Appraisal System for teaching and non- teaching staff

- The institution adopts a fair recruitment process.
- Detailed staff requirement analysis, effective advertisement, fair and transparent assessment of candidates form part of this effective process.
- A duly constituted Management Committee is in-charge of the process. Interviews are conducted for selecting suitable candidates for appointment to teaching, non-teaching and other posts in the college.
- The institution has an effective Performance Appraisal System for teaching and non-teaching staff. The student feedback and Audit by IQAC form the effective tool in Teacher Evaluation System.
- At the end of each semester, feedback forms are issued to the students for each of the courses attended by them. The feedback forms in the form of questionnaire collect information about the teacher and different aspects pertaining to the teaching process.

- A team consisting of the Management Representative, Director, Principal, Director-IQAC, Head of the Department go through the feedback forms collected from the students and suggest suitable measures to improve the teaching-learning process.
- Teachers performance is also reviewed based on student results, punctuality, commitment, teaching skills, number of papers presented, number of conferences and workshops attended, research projects undertaken and involvement in other college activities. The performance of non-teaching staff is assessed based on the recommendation of the concerned HODs/section heads.
- The compliance of academic and administrative procedures and their continual improvement is also ensured through systematic audit by IQAC.
- The IQAC regularly conducts academic audit of the Departments. IQAC monitors the academic activities on regular basis to ensure the execution of timetable.

6.4.1 - Institution conducts internal and external financial audits regularly Enumerate the various internal and external financial audits carried out during the year with the mechanism for settling audit objections within a maximum of 200 words

Internal and External Audit Processes

The institution maintains a robust internal and external audit system to ensure financial accountability and transparency.

Internal Audit: The internal audit is a continuous process, conducted alongside external audits. A senior staff team thoroughly examines vouchers, supporting documents, records,

books, and e-statements for each financial year. This includes verifying budget estimates, cash transactions, bank reconciliations, and financial event management. Key activities include:

- Reviewing the trust deed, regulations, and past financial statements.
- Evaluating internal controls and verifying student fee registers.
- Authorizing fee concessions, policies, and controls.
- Examining bank passbooks, grants, sponsorships, deposits, and payments.
- Cross-checking procedures and educating departments on transaction controls.
- Conducting interdepartmental stock checks and creating reports.

External Audit: The external audit is conducted annually by UDAY KUMAR B & CO. Statutory auditors ensure the institution's accounts comply with regulations. No major issues have been identified, and minor errors are promptly corrected with preventive measures. Key objectives include:

- Examining policies, regulations, and financial procedures.
- Verifying receipts, salary payments, taxes, and property titles.
- Reviewing fee payments, income tax filings, and regulatory compliance.
- Certifying audit reports and conducting audits per financial statement rules.

6.5.2 - The institution reviews its teaching learning process, structures & methodologies of operations and learning outcomes at periodic intervals through IQAC set up as per norms and recorded the incremental improvement in various activities

1. The quality of teacher is reviewed through a self-performance appraisal method. Intensive faculty development activities initiated
2. The second component in TLP- the students for them various methodologies used for holistic development of the learner through student support activities. Different processes involved are sensitization of student's social issues through different committees- women empowerment, sexual harassment elimination, placement activities.

Usage of ICT, Innovation and Creativity in teaching -learning

Diversity of the student body in terms of their educational background and experiences makes it necessary to implement

innovative teaching strategies to enhance student-centric learning. Different Departments use varied interactive lecture methodologies to facilitate quality learning. Departments of Computer Sciences adopt experiential learning methods like, workshops, live demonstrations of experiment through IT Club activities. Department of Management adopt experiential learning methods like Industrial visits.

Educational CDs, DVDs are made available as a learning material. Webinars and Various e-learning resources such as e-Journals, CDs and online data bases such as INFLIBNET are used by the Faculty for effective teaching and enhancing knowledge. Open educational resources such as NPTEL, YouTube videos, Ted talks, e-journals are recommended to the students.

Commerce and Management department's initiative of 'Business Lab' to educate students with basic activities like, opening an account in the bank, filling challans, applying for loans is also an example of innovative learning.

7.1 - Institutional Values and Social Responsibilities

7.1.1 - Measures initiated by the Institution for the promotion of gender equity during the year

The campus ensures gender equality by consistently applying various methods to respect, support, and meet the needs of both male and female students equally, regardless of their gender identity. The campus actively works to uplift women, including both staff and students, through a range of initiatives. Special clubs and groups have been created to involve female students in extracurricular activities. The campus organizes events and seminars on topics like women's empowerment, personal hygiene, and inspirational talks to tackle challenges faced by female staff and students. The Sexual Harassment Elimination Committee (SHE committee) and the Anti-Ragging Committee of the campus play a crucial role in keeping the campus free from ragging. In partnership with the local police, the "Suraksha App" from the police department has been made available to all female students' mobile phones. The Grievance Redressal Cell is always ready to listen to students' complaints and address them, with the college student counselor ensuring that concerns related to academic stress, gender issues, low self-confidence, and other matters are properly handled. Mentorship program is in place. Facilities like tissue dispensers and sanitary napkin vending machines, along with liquid soap dispensers, are provided to support the health and hygiene of female students.

7.3 - Institutional Distinctiveness

7.3.1 - Portray the performance of the Institution in one area distinctive to its priority and thrust within 200 words

The distinctiveness of Sri Krishna Degree college is in the remarkable social initiatives it involves itself. During the auspicious occasion of Azadi ka Amrut Mahotsav, the college was given the opportunity to adopt the Bannerghatta village in the Anekal Taluk. Through regular activities, College's NSS students and faculty have been actively engaged in cleaning the school campus, hospital, and police station in the village. In September 2024, a special camp was organized from September 9 to 14, where the NSS team undertook various community development projects. These included cleaning the temple, schools, and market surroundings, creating awareness about dengue and H1N1 virus in association with the local health department, and organizing a workshop on the dangers of drug abuse for local youths in collaboration with the police department. Additionally, the college NSS team conducted a workshop on mobile usage and helped create a drainage & water facility in the school campus. The village school also received a fresh coat of paint. These initiatives have not only improved the village's infrastructure but also promoted health awareness, education, and community engagement.
